

Clinical Intervention

Gain peace of mind with medication safety insights.

Guardian pharmacists have always put resident safety first. But don't take our word for it. Gain visibility and insights into the clinical decisions and interventions our pharmacists make every day to safeguard your residents with GuardianShield's Clinical Intervention program.

Track clinical interventions, including:

- Medication reconciliations
- Drug-drug interactions
- Allergies
- Duplicate therapies
- Unusual dosing regimens
- Omitted medication orders
- Drug-disease interactions
- Order clarifications

See how we protect residents from adverse medication effects

Contact your local Guardian Pharmacy today to learn more about GuardianShield and Clinical Intervention.
