The Guardian Difference

What sets us apart from the rest? At our core, we are a people business. We conduct business fairly and honestly. We are performance-driven and committed to hard work and initiative. And our slogan – Where Personal Service is the Most Powerful Medicine – is more than just a collection of words. It's a reflection of how we conduct business every day.

The Golden Rule

1 A Commitment to Excellence. A Focus on Results. Close Collaboration. These Core Values are at the heart of our mission, and they drive us to deliver better care.

Better Business Partners

We leverage smart business strategies and extensive industry expertise to help our partner communities drive positive results for their business. **2**

GuardianShield™

3 Save money, reduce risk, and improve outcomes. Our clinical team and business intelligence unit have come together to take your data and transform it into easy-to-understand, actionable reports.

Where Personal Service is the **Most Powerful Medicine™**

Guardian's unique local operating model means each of our pharmacies has the autonomy to make decisions at the local level—decisions to personalize the services and support post-acute and long-term care operators need and their residents deserve.
